2022-23 CVHS Wrestling Booster Club Membership

Your child has the privilege to be part of the Capistrano Valley High School's Wrestling Team. As a participant in the program, your athlete will have benefits as well as responsibilities. The Capistrano Valley Wrestling Booster Club is responsible to financially support this program (as funding from CVHS is extremely limited). The Budget for the coming year is in excess of \$35,000. Your Involvement and financial contribution are crucial to its success and without the generous support from the community and the booster parents, it would be impossible to run the program. Rest assured 100% of all donations will go towards keeping the program a strong and viable entity! The requested voluntary donation/contribution is based upon the proposed wrestling team budget, which includes the services and benefits that we as parents would like to provide our athletes/children.

OTHER FORMS OF PAYMENT ARE AVAILABLE (see options below)
